

CERTIFICATE OF RESEARCH TRAINING

This is to certify that

Raman Nafarieh

successfully completed a supervised research training program at Sadra Mehr Institute of Biological Sciences and Technologies during 2024–2025. During this program, he conducted the research project entitled:

“Evaluation of a Novel Herbal Nanogel Formulation on Skin Cancer Cells Utilizing the MTT Assay”

under the supervision of Dr. Ensieh Olamafar.

The project included the preparation and physicochemical evaluation of a plant based nanogel, laboratory cell culture procedures, MTT assay analysis, interpretation of experimental data, and preparation of a scientific research paper. This certificate is awarded in recognition of his successful completion of the research program and his commitment to biotechnology and biomedical research.

Date of Issue: July 28, 2026

Certificate No.: SMT-RT-2026-0728-001

Dr. Ensieh Olamafar
Research Supervisor
